Chip, Eric,

Per our discussion at this afternoon's Portland Harbor Managers meeting can you please verify that there were no additional figures to be included in the attached.

Thank you,
Jen Woronets ©

Subject: EPA comments on QEAFate modeling presentation

Jim/Bob

EPA is providing the attached comments based on feedback from our project team on the Anchor QEA May 4, 2010 presentation on the QEAFate modeling approach. As noted in the comments, we recommend a follow-up small group meeting of the modelers and primary reviewers to address these issues.

Please let us know if you have any questions.

Chip
